Christian Character Award

Congratulations to Corinne Pan-Kita for receiving this week's Christian Character Award! Corinne has a very tender heart in her desire to please the Lord.

Looking Back

What a fishy week we had! Thank you to Odamis, Lisa and Cindy for joining us on Friday afternoon to make manatees and "Coral Crunchies" in cooking ... we learned that some fish like to eat coral!

We have had many opportunities for writing this week ... what a delight to see your child progress with his/her writing!

Thank you for giving your child opportunities to practice telling time and counting coins!

Please keep up with the great reading too ... each one is progressing so nicely as we get ready to move on to first grade ... I miss them already!

Looking Ahead

This week's highlight for science will be the field trip to the Conservancy on Friday morning. We will have a naturalist give us a tour of their nature museum, including the "Sea-Turtle Talk". Then a boat ride through the mangroves to see the sights ... and a walk along the nature trails to see the animal rescue center. The morning will end at the beach with lunch at Lowdermilk Park. Thank you for placing your child's lunch in a disposable paper bag :)

Dates to Remember

April 21—Noon dismissal

April 23—Field trip to the Conservancy (9:00—2:00)

April 26-30—SAT Testing

April 30—"End of SAT" celebration—Pelican Bay beach lunch

May 7—Mothers' Day Tea in Classroom (9:00—10:30)

SAT Testing is coming ...

K students will be taking the PSAT April 26—30. Please try to get a good night's rest and have your child here right on time.
