

Middle School School Entry Health Requirements 2010-2011

NO SHOTS, NO SCHOOL

PHYSICAL EXAMINATION REQUIREMENTS

At the time of initial enrollment or registration, students entering a Florida school for the first time must provide:

1. A "valid" physical examination that has been completed within the **prior twelve months**.
 - a. Students who cannot provide proof of a valid physical examination must be excluded until they can provide the necessary information required on the Florida form DOH 3040.
 - b. An appointment card from a local physician or clinic showing that a physical examination is scheduled to be completed at a later date is **not acceptable**.
2. Physical examinations can be obtained from your local physician, health care provider, or walk-in clinic before registering your children. A list of clinics and pediatricians is available at your child's school or by calling 377-0514.
