Driving a vehicle to First Baptist Academy is a privilege. This privilege may be taken away if certain standards are not followed. Please adhere to these guidelines if you want to continue to have the privilege of driving to First Baptist Academy.

1. You must drive safely at all times. Reckless or dangerous driving will not be tolerated. If other parents or individuals report that you have been driving recklessly your privileges may immediately be revoked. This is especially critical in the parking lot area at the school but is also important for anytime that you are driving to and from school or school events.
2. You may not drive other students to and from school without permission being granted by your own parents and the parents of the other student.
3. This privilege may be taken away if there are academic or behavioral concerns.
4. You must conduct yourself in a way that honors and glorifies God. Extremely loud music that may be considered noise pollution is not acceptable. Peeling out or driving quickly through the parking lot is also not acceptable (maximum of 15 mph on the drive and a maximum of 10 mph in the parking lot).
5. You must park in the designated area for student parking.
