

New for 2018: After School Programat Sports CLUB Naples!

Dear FBA Parent,

FBA will be discontinuing the Extended Care Program beginning fall of 2018. For FBA families seeking an After School program, we are recommending an excellent alternative program. The Sports CLUB Naples, located at 3275 Pine Ridge Rd. has been in operation since 1999, and is located 2.2 miles from FBA. The Sports CLUB will provide pick up bus service at FBA and will transport our students to their site.

Students ages 4-13 who register for the program will be supervised by FBA staff until they board the bus at 3:30pm. At Sports CLUB Naples, children participate in a variety of sports, arts and crafts, board games, indoor and outdoor organized games, dance, cheer, & gymnastics. The After School program at Sports CLUB Naples operates from 3:30 pm - 6:30 pm. Monday through Friday. Parents may pick up from the site anytime during those hours.

Students who participate in FBA After School Enrichment Classes (3:30-4:30 pm) will be picked up at 4:30 pm and transported to SCN.

For additional information and to register for the 2018.19 school year, visit the Sports CLUB website. <http://sportsclubnaples.org/>

Representatives from SCN will be present at FBA Family Fun Night, Aug. 13 .They look forward to meeting you. Stop by their table!
